The undersigned hereby certifies that this document is being placed in the United States mail with first-class postage attached, addressed to the Commissioner for Patents, Washington, D.C. 20231, on the 15th day of October, 2001.

Monica E. Zombori

COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

Sir:

AMENDMENT

This is responsive to the Office Action mailed July 17, 2001. Please amend the above-identified application as follows:

In the Specification

Please amend the specification as follows.

Please delete the first sentence of the specification, added by means of a request on the utility patent application transmittal filed on February 11, 2000. In its place, please add the following new Related Applications section. Applicants have attached a copy of the new section on a separate page.

Related Applications

 This application is a divisional of U.S. Application Serial No. 08/948,705, filed on October 10, 1997, now issued as U.S. Patent 6,043,084.
